Here's a recap of our success in 2005 – a mighty busy year!

**Research:**
- Documented how tossing out 11,000 provisional ballots would disenfranchise black voters.
- Created factsheets on campaign money and health care, tax policy, judicial elections, polluters, etc.
- Assisted Elections Board on our complaint about illegal donations.
- Documented the value of Same-Day Voter Registration for young citizens.

**Organizing & Training:**
- Began Democracy Advocates program to educate & draw activists closer to our work.
- Conducted media tour and educational events for $3 check-off.
- E-organized thousands of supporters for key election reforms.
- With the League of Women Voters, held 4 all-day advocacy skills workshops.
- Helped develop democracy groups in Winston-Salem and Charlotte.
- Hosted 10 half-day trainings on campaign finance & voting rights.
- Held 6th year of Democracy Summer for 10 young adults.

Thank you for supporting Democracy North Carolina in 2005!

With your great help, we met the 50-day, year-end challenge and an earlier challenge from the Z. Smith Reynolds Foundation.

Your gifts totaled $80,000 in 2005, more than double what we received from individuals in 2004. Thank you!
