How to Vote Without Photo ID in 2020

If you have a photo ID, take it to the polls. **If you don't, you can still vote.**

All registered voters* will be allowed to vote with or without a photo ID. **You can vote with a provisional ballot if you do not have acceptable photo ID.** A provisional ballot will count if:

1. You bring an acceptable photo ID to the county board of elections (BOE) by the day of canvass — typically 10 days after Election Day; OR
2. You sign an affidavit when you vote declaring you have a qualifying exception from the requirement to show photo ID to vote.*

***Exceptions to Vote Without Photo ID in 2020:**

- ✔ You have a “reasonable impediment” that prevents you from presenting a photo ID when you vote in person or from enclosing a copy of your ID when you vote absentee by mail.

Types of impediments include:

- lack of transportation
 - disability or illness
 - lack of birth certificate or other necessary documents
 - work schedule
 - family responsibilities
 - lost or stolen ID
 - photo ID applied for but not yet received
- ✔ You have a religious objection to being photographed; or
 - ✔ You survived a natural disaster occurring within 100 days of the election.
