

BEEN LOCKED UP? DON'T BE LOCKED OUT!

If you are convicted of a **MISDEMEANOR**, you **DO NOT** lose your right to vote.

You can register and vote, **even if you're in jail**. You can submit your voter registration and request an absentee ballot together. Use the Absentee Ballot Request Online Portal or complete and mail an Absentee Ballot Request Form to your county board of elections. Find both at: demnc.co/absentee

You must mail your absentee ballot request form at least a week before the election. Provide an address on your registration form and absentee request where you can receive mail – either the jail, your home, or the home of a near relative who can help you vote (spouse, brother, sister, parent, grandparent, child, grandchild, mother-in-law, father-in-law, daughter-in-law, son-in-law, stepparent, or stepchild).

If you are convicted of a **FELONY**, you **TEMPORARILY** lose your right to vote.

In NC, you automatically get back your right to vote **after you serve your sentence**. You just register and vote like any eligible voter and you don't need a special document that says your rights are restored. This means people serving extended probation, parole, or post-release supervision because they have outstanding monetary obligations (fines, fees, restitution) can now vote.
